

Canton High School

Our Mission:

To engage all students in learning by providing a rigorous and relevant curriculum in an environment of mutual respect and personal responsibility.

Our Core Values and Beliefs:

We believe students learn best when our:

Rigorous Curriculum:

- Has clear and measurable expectations
- Challenges students to grow
- Develops a variety of skills for life long learning
- Is accessible to all

Relevant Curriculum:

- Fosters critical thinking and individual reflection
- Is purposeful and connects student learning to present/future selves

Mutual Respect:

- Acknowledges individuality
- Supports students to reach their full potential
- Creates a safe and secure environment
- Fosters a positive relationship between home and school

Personal Responsibility:

- Fosters individual ownership of learning
- Establishes accountability
