RE: Superintendent Announcement
Date: October 25, 2006

On behalf of the Board of Education and our extended search committee, I am very pleased to announce that Kevin D. Case, Principal of Squadron Line School in Simsbury, is our unanimous candidate of choice to become the next Superintendent of Schools in Canton. After a very comprehensive search process beginning last June, and with the input of parents, administrators, faculty, staff, community members and students through our community wide forums and the development of a "leadership profile" as a product of those forums, we believe our efforts have produced the right match for our district.

Kevin Case has distinguished himself as a district leader in the Simsbury system and is a bright, articulate and insightful administrator. The Board of Education is very confident that Mr. Case has the background experiences, the technical and interpersonal skills and the wisdom to be an effective Superintendent in our town.

Before the Board of Education votes on Kevin's appointment we would like to invite you to meet him. On Monday, October 30, Kevin will be visiting each school for a period of time, the schedule will be posted shortly. Additionally for our parents, the Board of Education will hold a special meeting that evening beginning at 6:30 p.m., as a public forum to meet greet and ask Mr. Case questions. At 8:00 p.m., the "Board" will convene in public session to discuss the feedback and to take action.

Please plan to attend this special meeting on Monday, October 30, at the Community Center - Room B beginning at 6:30 p.m. For further information please check our [website](#) or call Central Office. Thank you.

Best Regards,

Lou Daniels
