October 15, 2007

Dear Parent/Guardian:

As you may be aware, the Canton Board of Education is working with an architectural and planning consulting firm, Drummey Rosane Anderson, Inc., for the purposes of conducting a space utilization study for Cherry Brook Primary School. At the conclusion of this study, recommendations will be presented to the Canton Board of Education for their consideration. Some of these recommendations may have an impact on our K-12 educational system.

As part of this study, a series of three community workshops will be held where you will have the opportunity to give input and ask questions. The first of these workshops will be held on **Thursday, November 1, 2007** in the cafeteria at Cherry Brook Primary School from **7:00 – 8:30 P.M.**

We would like to invite you to attend and participate in this first of three workshops. Your input is valuable to us as we move through this important process. Please join us to share your thoughts, ideas, and suggestions. Attached is an agenda for the evening.

Please feel free to call the Superintendent's Office if you have any questions. We look forward to seeing you on November 1st.

Sincerely yours,

Kevin D. Case
Superintendent of Schools

Louis M. Daniels
Board of Education Chairman
