New Year Begins with a New Board Chair and Two New Board of Education Members

At its January 5th meeting, the Canton Board of Education unanimously elected Beth Kandrysawtz as its new Chair. Mrs. Kandrysawtz has served as a full-board member and as a member or chair of several key sub-committees since her election in 2005. Carlene Rhea was elected Vice-Chair, and Susan Saidel, the Board's longest-serving member with 12 years of experience, was elected Secretary.

The Board also welcomed its two newest members: Mark Lange who was elected in November 2009 and Gretchen Sonju, who was appointed in January to replace Kyra Sheehan.
